

Global Email marketing SaaS leader seeks **SENIOR SALES MANAGER**
Generous and uncapped Pay Plan: +85k£ OTE

You are a dynamic and ambitious sales manager, and you are not afraid of a challenge. You have demonstrated your ability to acquire new accounts and reach your sales quota. You want to work for a fast growing company (+50% growth per year these last 4 years). This job is for you.

Emailvision, leader in “on-demand” software for email marketing automation, is hiring a talented individual to support its growth and currently has an open position for an **experienced sales manager**.

What you will bring to the party:

- A team member with a positive attitude, high motivation level and a passion for winning new business ;
- A Hunter mentality, desire to cold call extensively and strong ability to close deals ;
- A proven history of meeting or exceeding your sales target;
- Software sales experience;
- Excellent communications, interpersonal and negotiating skills, as you will be dealing with decision makers ;
- Ability to perform under pressure and meet deadlines
- SaaS experience a plus, but not necessary.

In return, **Emailvision** offers an outstanding compensation package:

- Generous and uncapped pay plan : +85k£ OTE,
- Base salary : 45k£,
- A strong integration/training plan to allow you to perform quickly,
- A rapid career progression

If this sound like a role for you and you want to advance your career within a fast-growing multinational software leader, email your CV and cover letter to jobs.uk@emailvision.com
